iD&beyond is an interior Design firm that offers wide range of latest and most advanced interior design solutions with international standards in quality throughout Dubai and U.A.E. iD&beyond is an innovation experts in the world of interior design and is committed to turn good ideas into better realities. We are a group of competent and disciplined professionals that constantly look at the world in a new and different light, work with passion to maintain & improve the quality aspects.

Space Planning

With proven expertise in space planning for innovative design approach with full understanding of technical requirements

Introduction

Services Offered

Areas of Expertise

Why iD&beyond

Team

Projects/Clients

Concept Building : Once appointed, we create a concept according to the client's duties and responsibilities. We produce mood boards with images, samples and furniture layouts.

3D Visualization

Our in-house design team working with latest software and technology to provide our Clients with state of the art computer generated imagery.

Specification: Design drawings and a schedule of works for accurate pricing.

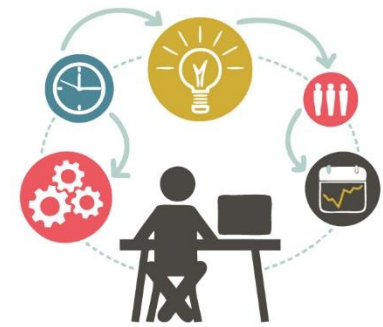

Design Proposal

Detailed room survey including finished scale drawings marking out doorways, windows, electrical and plumbing points. Scale floor plan including furniture. Following the brief, we provide a proposal letter with detailed estimates.

Project Management

Project management is the discipline of planning, organizing, motivating, and controlling resources to achieve specific goals.

Eathos is relentless in its pursuit of good food and all our brands are chosen with the guest in mind. We believe in bringing world-class F&B concepts to the Middle East where they can flourish and our success depends on making the right choices. We look for restaurant concepts, old and new, whether chains or not, as well as franchises that have already demonstrated their achievements and are keen to explore both regional and wider international opportunities from countries such as the US and UK. While we have particular expertise in casual and fast casual concepts, we are always open to exploring new formats, providing the brand shares our passion for excellence.
